

### **Short History of Santhome English Medium School Anavatti**

Santhome English Medium School is one of the premier institution situated in the village of Anavatti Shimoga district .It is the only school run by the FCC sisters of St. Mary's province Mananthavady and under the Society of Center for Integrated Development Action in Karnataka. The prime aim of the institution is to give high education for the poor children around our village with minimum fees. It is a private un aided school with state syllabus English medium . It is established in 1995. The school had an simple beginning with only 12 children ,today we have 950 students from Kinder garden to 10<sup>th</sup> class and 40 teaching staff & 6 non teaching staff

For the holistic growth of the students, Santhome School provide co-curricular activities like Karate, Dance, Drawing and Yoga, to improve our English knowledge we have communicative English Class with the help of digital class room. Every month we conduct different type of competition in the group to bring out their talents and abilities.

We provide opportunities to our students to develop their leadership qualities..We celebrate School patrons day National festivals, Christmas, teachers day and children day etc .in a meaningful way. We arrange alternative year annual day and educational tour. We conduct Teachers & Students training program twice in a year.

We have energetic team of scout and guide who helps to maintain school discipline. Every year we provide free education for 15 poor students and few of our economically backward students getting scholarship from We Care. We thank Almighty God for all the Blessings we have received from your hand.
