

SCHOENSTATT ST. MARY'S

website link - www.schoenstatt.co.in

It is an educational website of Schoenstatt institutions. It provides information about college facilities such as libraries, labs, activity hub, smart class etc. It has the following menus:

About Us - In this menu, it is well explained about our founder. Fr. Joseph Kentenich and his educational pedagogy. It talks about our institution patroness Mother Mary and our mission and vision. This institution works under the motto "**With Mary to become firm and free personalities**".

Event - All the programmes which are conducted for a whole year will be uploaded under this menu. It contains the date of the programme, a brief description about it and all the images related to a particular event.

Student Corner - Here the students can get class and examination time tables. The website provides all information about the courses offered. It provides online fees payment, admission details, faculty information and work schedule etc.
