Academic Year 2026-2027 Report

Preparations for the academic year began on May 18, 2026, with a staff meeting to review reopening plans and academic schedules, followed by a principal-led meeting on May 19 where class teacher responsibilities were assigned. To enhance teaching practices, faculty attended a professional development seminar at De Paul International School on May 20, before officially reopening the school to students on May 25 and celebrating Labour Day on May 28 to honor workers. Academic evaluations commenced on June 1 with Unit Test-1 for Classes VII–X, while Class X led a World Environment Day program on June 5 to promote sustainability. June also marked key institutional updates, including a managerial farewell and welcome transition on June 19, International Yoga Day demonstrations on June 20, primary level Unit Test-1 assessments from June 22–29, the induction of student leadership during the Investiture Ceremony on June 27, and a Science Department quiz on June 29.

Co-curricular programs launched on July 1 for Classes I–VIII, followed by the Vidyarambha welcoming ceremony for new Pre-KG and LKG students on July 3. Academic and moral guidance continued with a school-wide Parent-Teacher Meeting on July 16, a student orientation on values and guidelines led by Fr. Edward Philip on July 20, specialized motor skill activities for Kindergarten on July 22, and literary and speech competitions on July 23 to build public speaking skills, leading into Unit Test-2 evaluations from July 24–30 for Classes I–X. Institutional traditions concluded the period, starting with Sister's Day celebrations on August 11 to honor the sisters, a patriotic Independence Day flag hoisting on August 15, student-led cultural performances for Teachers' Day on September 5, and the annual School Day celebration on September 8 dedicated to prayers and honoring Mother Mary.
