

❖ **SHINING STARS OF ACADEMIC EXCELLENCE: Congratulations to our Outstanding 10th Std. students! Of 2024-25**

From efforts to achievements, from memories to milestones - we proudly share our journey.

We take immense pride in highlighting the outstanding performance of last year's 10th Standard batch, who brought great honour to the school with their remarkable results. The students secured an impressive 40 Distinctions and 61 First Classes, reflecting their perseverance, discipline, and determination to succeed.

This year was further distinguished by 100 percent results in several subjects, with 4 students scoring full marks in English, 3 in Social Science, and 1 in Science. These exceptional accomplishments are truly commendable.

Behind this remarkable success lies the untiring hard work, constant efforts, and dedicated commitment of our teachers, who went the extra mile to guide, motivate, and support the students throughout the academic year. Their careful planning, regular assessments, extra coaching, and personal attention played a vital role in shaping these excellent results.

We also gratefully acknowledge the unwavering encouragement and cooperation of our parents, whose support strengthened the students' journey toward excellence.

These achievements stand as a shining testimony to teamwork, dedication, and the pursuit of excellence. We congratulate our dear students and wish them continued success in all their future endeavors.
