Special Assemblies have been a part of the school culture. They instil moral values and concepts for all-round development of a child. Celebrating national festivals create a sense of patriotism in children. The 75<sup>th</sup> Independence Day was celebrated with patriotic fervour. Children performed to various patriotic songs and also spoke about the significance of the day. Teacher's day was celebrated with great zeal and excitement. A special assembly was conducted by the students followed by cultural activities.

*(Teachers Day Assembly )*

Children's day was also celebrated with great enthusiasm by the teachers. The programme began with a special assembly conducted by the teachers. Students were elated to see their teachers performing and celebrating the day with great zeal and enthusiasm.

Various co-curricular activities were held to develop children physically, morally, socially and mentally and to hone skills in co-scholastic areas and display their calibre. A vital part of growth of students depends on their participation in competitions that leads to an overall development of an individual. The children participated enthusiastically to showcase their talent in various competitions. It gives me great pleasure to inform you that they have emerged as winners in many fields.

*(Christmas Celebration)*

Christmas was celebrated on 22<sup>nd</sup> December 2022 with great fervour and enthusiasm. The entire school vibrated in the echoes and spirit of Christmas carols.
