

Prize Day – Std. X & XII

Our school's annual prize day was held on 7th June, 2024 in the school auditorium. High school students, parents, Sisters and the management and staff members gathered to celebrate

academic achievements, sporting triumphs, and overall excellence throughout the year.

The solemn tone for the ceremony was set by the opening prayer. Our Principal, Sr. Alpana then addressed the gathering, expressing her pride in the student body's accomplishments. The highlight of the event was undoubtedly the awards distribution. Students were recognised for their academic excellence, subject-specific achievements, sportswomanship and exemplary participation in various school activities.

The Annual Prize Day was a truly remarkable occasion. It served as an avenue to acknowledge the diligent

dedication and efforts put in by students throughout the year. The sense of accomplishment and camaraderie was truly inspiring. We look forward to next year's ceremony, eager to see our students seated in the audience today as tomorrow's victors.
