

Theme for the year : Walking together for the Better world
"The fear of the lord is the beginning of wisdom: Proverbs 9:10"

Flos Carmeli Convent School was founded by the Congregation of the Carmelite Religious(CCR), administered by St. Joseph's Provincialate Pune and governed by Flos Carmeli Convent Educational and Charitable Society in the year 2004. It was a difficult task to get the students in the beginning but the God who brought us to this place was there to help to bring more and more students year after year. Today the school has come up and the students are well trained to take up any challenges of the world. The students enter the portal of our school like empty vessels but when they leave the institution, the vessels are filled with oil and light which brighten their path without stumble or fall. The teaching and non-teaching work so earnestly that they keep up the standard of our other schools. Our teachers are highly qualified to teach up to ISC level. They cope up with the Management and work hard to take care of each and every student that enters our premises. The students are trained in drawing & painting, singing, instrumental music, band, cultural, co-curricular activities, sports and games. The students take part in national and international competitions and bring laurels to the school.

I wish all success to the Sisters, Staff and Students for the coming days and years that you may bring up the expectation of our parents and well wishers.
GOOD WISHES AND GOD BLESS.
